Re: Control #318180

Mrs. Simmons,

As requested, please find listed below training Steven Alvey has received as required per 10 CFR 35.59 to be added as an ANP to License #17-32715-01MD.

- May 11, 2009 - May 22, 2009 (80 hours)
 - Training and competency in Radiation Safety; successful completion of training and examination
 - Training and competency in Security Awareness; successful completion of training
 - Didactic training and examination in Radiation physics and instrumentation
 - Training and competency in shipping and receiving packages
 - Training and competency in calculating, preparing, assaying dosages for patient use
 - Training and competency in performing instrument checks for proper performance
 - Training and successful completion of Molybdenum Breakthrough calculations in addition to performing Moly assay on elutions
 - 80 hours working under my immediate supervision during a training and acclimation period
- May 25, 2009 - July 22, 2009
 - Successful completion of 400 hours of work time

Steven Alvey has satisfactorily completed the above training and has achieved a level of competency to sufficiently operate a nuclear pharmacy. If you have any questions please don't hesitate to call me at 314-426-5290.

Sincerely,

Katheryn LeBlanc, PharmD
Pharmacy Manager
Pioneer Pharmacy of St. Louis
