Subject: Proposed Areva Eagle Rock Enrichment Facility in Bonneville County,
Idaho. SL #09-0471

Dear Ms. Kulesa:

The U.S. Fish and Wildlife Service (Service) is writing in response to your request for information about the potential impacts to endangered, threatened, proposed, and/or candidate species from the proposed Areva Eagle Rock Enrichment Facility in Bonneville County, Idaho. The Service has not identified any issues that indicate that consultation under section 7 of the Endangered Species Act of 1973, as amended, is needed for this project. This finding is based on our understanding of the nature of the project, local conditions, and/or current information indicating that no listed species are present. If you determine otherwise or require further assistance, please contact Sandi Arena of this office at (208)237-6975 ext 102.

Thank you for your interest in endangered species conservation.

Sincerely,

for Damien Miller
Supervisor, Eastern Idaho Field Office
