Frank,  
Aida, Jeff, Mark, and myself plan on attending at 1230, so why don't we leave it there as long as you have time to eat. Everyone else does not have appointments immediately before lunch.  
Many thanks.

if we need 12:30 then fine... I just don't like to intrude on other folks lunch time.

Frank,  
Jeff is blocked from 2-3:00 PM and I have not received any feedback to his availability. If Jeff is unavailable at 2:00, would a time at 3 PM or later be preferable to the 12:30 time?

Frank / Jeff,

I wanted to take a few minutes to debrief you on background that has lead to a Fermi QA program audit next week up in Michigan. Glenn was debriefed last week.

We can also meet late in the day if that is preferable.

Thanks.

-George
