

ENCLOSURE 1: DEFINITIONS

Bulletin 2005-02 Definitions	NEI 99-01 R5 Definitions
	<p>CIVIL DISTURBANCE: A group of persons violently protesting station operations or activities at the site.</p>
<p>HOSTILE ACTION: An act toward a NPP or its personnel that includes the use of violent force to destroy equipment, take HOSTAGES, and/or intimidate the licensee to achieve an end. This includes attack by air, land, or water using guns, explosives, PROJECTILES, vehicles, or other devices used to deliver destructive force. Other acts that satisfy the overall intent may be included. HOSTILE ACTION should not be construed to include acts of civil disobedience or felonious acts that are not part of a concerted attack on the NPP. Non-terrorism-based EALs should be used to address such activities (i.e., this may include violent acts between individuals in the owner controlled area).</p>	<p>HOSTILE ACTION: An act toward a NPP or its personnel that includes the use of violent force to destroy equipment, take HOSTAGES, and/or intimidate the licensee to achieve an end. This includes attack by air, land, or water using guns, explosives, PROJECTILES, vehicles, or other devices used to deliver destructive force. Other acts that satisfy the overall intent may be included. HOSTILE ACTION should not be construed to include acts of civil disobedience or felonious acts that are not part of a concerted attack on the NPP. Non-terrorism-based EALs should be used to address such activities (i.e., this may include violent acts between individuals in the owner controlled area).</p>
	<p>HOSTILE FORCE: One or more individuals who are engaged in a determined assault, overtly or by stealth and deception, equipped with suitable weapons capable of killing, maiming, or causing destruction.</p>
	<p>SECURITY CONDITION: Any Security Event as listed in the approved security contingency plan that constitutes a threat/compromise to site security, threat/risk to site personnel, or a potential degradation to the level of safety of the plant. A SECURITY CONDITION does not involve a HOSTILE ACTION.</p>

ENCLOSURE 2: NEI 99-01 R4 COMPARISON TO NEI 99-01 R5

Discussion

NEI 99-01 R4 EALs were compared to NEI 99-01 R5 EALs. Revision 5 IC's were rearranged so that Initiating Conditions (IC) could be easily compared. Comments were then provided on each change.

Replace NEI 99-01 R4 Security EAL's from Bulletin 2005-02 with the NEI 99-01 R5 Security EALs.

NEI 99-01 R4 EAL users would replace the definition of Hostile Action provided in Bulletin 2005-02 with the NEI 99-01 R5 definitions for CIVIL DISTURBANCE, HOSTILE ACTION, HOSITE FORCE and SECURITY CONDITION contained in Enclosure 1.

ENCLOSURE 3 – NUMARC/NESP-007 COMPARISONS TO NEI 99-01 R5

Discussion

NUMARC/NESP-007 EALs were marked up in column 1 to implement the changes required by NEI 99-01 R5 EALs. It is expected that the NUMARC/NESP-007 EAL user would implement the markup provided in column one. NEI 99-01 R5 EALs are provided in column 2 for reference. Revision 5 IC's were rearranged so that Initiating Conditions (IC) could be easily compared to the NUMARC/NESP-007 Security EAL scheme. Comments were then provided on each change.

NUMARC/NESP-007 EAL users would replace the definition of Hostile Action provided in NRC Bulletin 2005-02 with the NEI 99-01 R5 definitions for CIVIL DISTURBANCE, HOSTILE ACTION AND HOSITE FORCE contained in Enclosure 1.

Deletions are ~~lined out~~ and additions are shaded gray.
