I'm going to invite whoever you'd like to speak to. They are all on standby at the moment. Last week you indicated you didn't want to go through all of the RAIs.

Rocky, Here is our Lab team availability:

The socioeconomics/EJ/Cost Benefit contact, Patrick Balducci, is only available Tuesday for the first 30 minutes and may not be available on Wednesday.

The alternatives contact, Tom Anderson, is only available for Wednesday's call.

The aquatic ecology contact, Roy Kropp, is on vacation but can call in either day. Nancy Kuntzleman can also cover for him either day.

Let me know which areas you want to discuss on which days.

Thanks, Stacey
