Vienna, 2009-04-27

The Laboratories of the International Atomic Energy Agency have been built on the sovereign territory of the International Atomic Energy Agency in Seibersdorf and are operated within the legal framework of the binding bilateral Agreement between the Republic of Austria and the International Atomic Energy Agency (IAEA) on the Laboratories in Seibersdorf, Federal Law Gazette no. 82/1958, as amended by no. 413/1971. Thus the IAEA is authorized to possess, import and export radioactive material without restrictions as part of their Safeguards Program. As a subject of public international law the IAEA is not subject to the Austrian legal system.

Robin,

Thank you for your timely review of our export application request. Please consider this email as LANL's request to redact the dollar amount from application SR# 200921356. If you have any further questions, please feel free to contact me.

Regards,
Keith
