Subject: Comments on Environmental Assessment for SIU
(NOTE: This will be used as the Documents Title in ADAMS)

7/29/09 14:30 I left a message on Mr. Curtis' voice-mail for him to get back in touch with me concerning the EA sent for his comment on SIU.
7/30/09 09:30 I spoke with Mr. Curtis. He stated that a member of his staff had reviewed the EA and informed him that he did not have any comments on the EA. I asked if that information had been forwarded to the NRC RI Office. Mr. Curtis stated he believed that the information had not been passed onto the NRC. I informed him that our telephone conversation would serve as the contact and that WV had no comments on the NRC's Findings of No Significant Impact. Mr. Curtis agreed with that assessment.

Action Required: Place in file and ADAMS, Finalize EA
