Dear Mr. Jenkins:

The Nuclear Regulatory Commission (NRC) is pleased that you will participate in a public Commission meeting on research and test reactor (RTR) challenges scheduled on Tuesday, August 11, 2009, at 9:30 a.m. The meeting will be held in the Commissioners' Conference Room on the first floor of the NRC's Headquarters building at One White Flint North, Rockville, Maryland. The Commission is interested in hearing your views as a representative of a test, research, and training reactor at Purdue University, on your experiences regarding RTR license renewal. I am enclosing a copy of the draft meeting agenda for your information (enclosure 1). My staff will keep you informed of any updates to the agenda.

To assist the Commission in preparing for the meeting, please e-mail any written material, including viewgraphs/slides, to Ms. Rochelle Baval, Mr. Richard Laufer, and Ms. Sandy Joosten (rochelle.baval@nrc.gov, richard.laufer@nrc.gov, and sandy.joosten@nrc.gov) in the Office of the Secretary, by August 7, 2009, so that it can be distributed to the Commission for review in advance of the meeting. Enclosed are guidelines for viewgraphs, if you choose to use them (enclosure 2). PowerPoint or other electronic presentation formats are acceptable. This Commission meeting will be webcast live at the Web address: www.nrc.gov. If you intend to use viewgraphs they will also be posted on the NRC website prior to the meeting. If you have any questions, please contact Ms. Baval at 301-415-1651.

Your presentation at the Commission meeting should be based on the assumption that Commissioners are familiar with the content of your written material. Please plan your oral presentation for 10 minutes, discussing the important points on which you wish to focus the Commission's attention.

The NRC Headquarters building is located opposite the White Flint Metro Station on Rockville Pike and Marinelli Drive, Rockville, Maryland. The White Flint Metro Station is on the Red Line of the Washington area subway system. Reserved visitor parking for Commission guests is available. If you wish to use reserved parking, please notify Ms. Baval in advance. If reserved parking has been arranged, please check-in with the security staff at the entrance to the NRC campus on Marinelli Drive when you arrive. A Security Guard will call for an escort. Please note that visitors will be screened through metal detectors, will have their packages x-rayed, and will be required to present a picture identification card prior to signing in at the registration desk.

Sincerely,

/RA/

Andrew L. Bates
Acting Secretary of the Commission
