Thank you for notifying me that you were able to track down the FAX in spite of the old FAX number. The last time I had to FAX anything to Licensing was....yep, you guessed it, three years ago... (I had hoped to not have to do any FAXing to you until renewal time in 2012, but there it is—leave it to researchers to think of something else they want to do!)

If I keep a copy of this fax, I will have no excuse for not remembering to change the fax number now, will I? (See, there *is* method in my madness...)

Have a good weekend, and thank you again for calling!

If you have any questions concerning this information, feel free to contact me at (816) 235-5289 or by email at masihs@umkc.edu.
