Subject: Conference Call for August 4

LaShawn,

Mark has asked that I reserve time during the August 4, 2009 conference call to discuss a number of non-RAI issues, including the cooling tower and met tower move. I have sent a number of new RAI's to OGC for review, but do not expect anything back until late next week. I will forward the bridgeline info as soon as it is available, as well as an agenda.
