Subject: Response to Request for Comments

Reference: NRC Enforcement Policy Revision
Notice of Availability of Revised Draft Supplements and Request for Comments
(Federal Register Notice 74FR27191, dated June 8, 2009)

Exelon Generation Company, LLC (Exelon) appreciates the opportunity to comment on the proposed revisions to the Enforcement Policy published in the Federal Register (i.e., 74FR27191, dated June 8, 2009).

In the referenced Federal Register Notice, the NRC solicited comments from interested parties including public interest groups, States, members of the public and the regulated industry (i.e., reactor and materials licensees, vendors, and contractors), on additional proposed changes to Section 6.0, "Supplements – Violation Examples," of the proposed revised Enforcement Policy.

Exelon fully supports the comments submitted by the Nuclear Energy Institute (NEI) in a letter dated July 22, 2009, concerning the proposed Enforcement Policy changes discussed in the referenced Federal Register Notice.

If you have any questions or require additional information, please do not hesitate to contact me at 610-765-5525.

Respectfully,

David P. Helker
Manager - Licensing
