Subject: Question for today's call

Russ,

There is another question that has come up regarding the correct operation workforce number. There appears to be discrepancies in the RAI responses and so we'd like to discuss with you on the call today. For your reference, I've listed the different RAI responses.

- RAI response dated 7/15/08, RAI 05.08-03, stated the number changed from 888 people to 959.
- RAI response dated 7/30/08, RAI 04.04-1, estimated 888 people in the text.
- The 888 was in the ER Rev 2 dated September 2008.
- The 959 value was in the RAI responses, RAI 04.04-12, dated December 2008.

For the rest of the call, there are the RAIs we discussed last week and status updates on the Corps and alternatives issue.

Thanks,
Jessie
