Paul,

To help me prepare for tomorrow's call regarding Socioeconomics and Environmental Justice, can you tell me which RAI responses we will be discussing? Or are these basically new, stand-alone questions?

If they are new questions, can you give me any insight into the specific subject area? This will help me ensure the appropriate consultant is on the line (we had had Socio/EJ spread out over about 10 different people).

Thanks,

### **Russell W. Kiesling, PMP**
