RE: ISSUANCE OF SEALED SOURCE AND DEVICE REGISTRATION No. NR-1235-S-108-S

Dear Mr. Miller,

Based on the information submitted in your application dated February 24, 2009, requesting registration of Source Models BMCY68 and BMNT57, we have reviewed the information and registered the sources. Sealed Source and Device Registration certificate NR-1235-S-108-S (copy enclosed) details the evaluation of the sources.

Please be advised that you must manufacture and distribute the product in accordance with the statements and representations contained in your application, with enclosure thereto, and the information set out in your registration certificate. As a general rule, you must request and obtain an amendment to the certificate before you make changes or modifications to the information submitted to obtain the certificate. Please review the enclosed registration certificate and notify us immediately if there are any errors.

You are obligated to notify us promptly in writing should you decide to no longer manufacture, distribute, or offer service support for the product.

If you have any questions, please contact Stephen Poy at (301) 415-7135.

Sincerely,
/RA/
