Dear Mr. Turner:

Congratulations! Your application for the PARTNER level of the CLEAN TEXAS program has been approved by the Texas Natural Resource Conservation Commission. On behalf of the agency, I am pleased to recognize TXU - Comanche Peak as one of the 132 CLEAN TEXAS charter members from across the state! By joining, you become part of a network of people committed to preserving our state's air, water, and land resources.

CLEAN TEXAS members are already environmental leaders, and we want to give you the opportunity to further expand your programs and make the most of your existing resources. A new member packet is enclosed, which includes valuable materials for your organization. You have made a significant commitment and, by taking full advantage of your CLEAN TEXAS membership, you will experience overall environmental excellence.

We look forward to your active participation as a CLEAN TEXAS member. CLEAN TEXAS offers opportunities for your organization to become involved through CLEAN TEXAS Regional Meetings, the *Partnerships for A Livable Texas* Conference, the CLEAN TEXAS web site, plus other training and networking opportunities.

If you need assistance, please feel free to call Rob Borowski or Larissa Peter, CLEAN TEXAS coordinators, at 512/239-3100 or visit www.cleantexas.org. Again, welcome and thank you for doing your part for CLEAN TEXAS!

Sincerely,
