SUBJECT: CLOSING OF THE AMENDMENT REQUEST TO CERTIFICATE OF  
COMPLIANCE NO. 9788 FOR INCLUSION OF THE S5G REACTOR  
COMPARTMENT

Dear Mr. Angerhofer:

In your July 30, 2009 email you stated the best estimate for responding to a NRC Request for Additional Information (RAI), submitted to you on September 18, 2008, was in 2013. You also stated the NRC should remove the amendment request from the active case list. The NRC will close TAC No. L24254 and remove your application from the active case list until you submit responses to the RAI in 2013. At that time a new schedule will be developed.

If you have any questions regarding this certificate, please contact me or Chris Staab of my staff at (301) 492-3321.

Sincerely,
