Rocky,

The information needs for the environmental audit are attached. Some items were added by the Army Corps; I highlighted those additions. I may separately send you the 404 permit checklist that the Army Corps gave to me.

The GIS table attached refers back to the G-2 info need. We'd like the data sets used to generate those figures listed.

I'd like to set up a call with your team and the Lab to discuss any questions you have.

Stacey
