Hello Mr. Hill,

I am the new project manager for the JPG site. I would like to take this opportunity to inform you that on Thursday August 27, 2009, the NRC will be hosting a public meeting at our headquarter offices in Rockville, Maryland.

Location: Twinbrook Building
Room 5E1
12300 Twinbrook Parkway
Rockville, MD 20852

The intent of this meeting is for the Army to provide its annual update on the progress of site characterization and plans for upcoming work at the JPG Depleted Uranium Impact Area.

The meeting agenda will be finalized by the end of this week and I will forward to you the logistics for participating in this meeting (e.g. bridgeline for teleconference, etc.). Please note that the meeting notice will also be published at least 10 calendar days prior to the meeting date.

If you have any questions or comments please feel free to contact me. Have a great day.
