

EMERGENCY PREPAREDNESS

- **Drill/Exercise Performance** – The percentage of all drills, exercises and actual opportunities that were performed and accurately classified during the previous eight quarters. (Total Accurately Classified/Total of all drills, exercises and actual opportunities X 100 = Percentage)
- **Emergency Organization Drill Participation** – The percentage of KEY ERO members that have participated in a drill, exercise or actual event during the previous eight quarters, as measured on the last calendar day of the quarter. This is an 8-quarter quarterly rolling number. Each quarter (Number of Key ERO members participating in a drill during the previous 8 quarters/Number of Key ERO members X 100 = Percentage)

	GREEN	WHITE	YELLOW	RED
Drill/Exercise Performance	> 90%	70 – 90%	< 70%	N/A
EO Member Drill Participation	> 80%	80 – 60%	< 60%	N/A
