Rocky and Bob,

FWS and USACE will be driving their own vehicle from the East Mtn Business Center to the Bell Bend Site. I told them they could follow the vans there and we'd find a spot for them to park the vehicle and join the vans. I don't think Rocky was on the call when I mentioned that. Could you think about a good point for us to meet up with them? We can just let them know at the audit.

I think someone suggested the Bell Bend offices but I can't remember if we decided.
