**RE: Reply to a Notice of Violation**  
Docket #03033246  
License #29-30058-01

This correspondence is in reply to a "Notice of Violation" dated July 13, 2009.

1. Reason for the violation:

This violation was due to an oversight by the RSO (Mr. Harry Bryant) in his failure to complete an annual review and audit.

2. Corrective action taken, results achieved and action taken to avoid future violations:

a. An alert has been added to our calendar as a reminder to perform an annual audit during the month of July for all years in the future that we continued to be licensed by NRC.

b. The NRC recommended "Annual Checklist" has been **modified** and is now a part of our records.

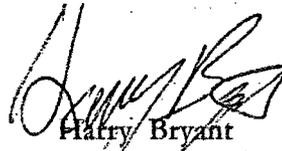

c. An annual audit was conducted on July 27, 2009 using the modified Annual Checklist. A copy has been placed in our records.

3. Full compliance was achieved on July 27, 2009.
