All, see the note from Amy below. Please give me feedback on the 29th as well, given that Amy's supervisor is available that day and not the 27th.

Thanks

Rocky,

Wade is pretty booked up for that week. I think the only day he would be available that week would be Friday, May 29th.

Amy,

I'll let you know when I've heard from the others. Is there another day that week when Wade/you are available if they can't make the 27th?

Rocky

Rocky,  
Wade can not attend. He will be in Baltimore that day. I'm available.  
If Gene and/or Jamie can attend, Wilkes-Barre is closer for them; I'd have no problem driving up to Wilkes-Barre.  
Thanks,  
Amy

Please reserve May 27 for a meeting to discuss additional background information regarding the siting of the proposed Bell Bend plant. I'll work with Amy to get an agenda together and get it distributed to those of you that can attend. I would like to plan on most of the day, and allow for travel time. Location is yet tbd [either Berwick, State College, or Wilkes Barre] - please provide me feedback if location makes a difference in your ability to attend.

Please RSVP as soon as you can.

Thanks!

Rocky

Rocky:

Thanks for the phone call. Here are the e-mail addresses for Gene (DEP) and Kevin and Jamie (EPA). Your 2007study seems related more to on-site alternatives than NEPA so Jamie may be more of an appropriate contact.

Gene Trowbridge	(570) 820-4919	etrowbridg@state.pa.us
Kevin Magerr	(215) 814-5724	magerr.kevin@epa.gov
Jamie Davis	(570) 842-1044	davis.jamie@epamail.epa.gov

Thanks,
