**Subject:** Postponement of Bell Bend meeting

Due to emergent work here at Bell Bend, I have to postpone our May 27 meeting. My understanding is that Amy will not be available until the week of June 15. Accordingly, please give me your availability for that week, and I'll get the meeting rescheduled. The agenda will focus on the history of our siting activities at Bell Bend, including wetlands avoidance.

I apologize for any inconvenience; please give me a call if you have any questions.

Thank you!

**Subject:** Bell Bend discussion

Based on the responses I've received, May 27 is the best date for our meeting, which all of you can support (with the exception that I have not heard from Kevin Magerr). PPL proposes to hold the meeting at our offices in Berwick if that is acceptable to you; that way we'll have access to any resources we need in support of the discussion.

An agenda will be forthcoming; I currently believe that the major focus of our discussion will be the original siting study performed for Bell Bend and relevant events that occurred since that time, with the objective of ensuring that all of us have a common understanding of how we got to our current Site Utilization Plot Plan.

Please let me know in the meantime if you have any questions.

Thanks!
