**Subject:** 6/18 Bell Bend Meeting

We will not be having the proposed Bell Bend meeting on 6/18.

On Monday I was briefed on ongoing discussions between NRC and the Unistar lead plant, Calvert Cliffs, regarding potential changes to the site selection process. My current understanding is that these changes will likely affect Bell Bend, so I have chosen to wait until I have a better understanding of their impact to schedule our discussion. This delay will also give us time to incorporate appropriate information from the NRC/Army Corps workshop this week and possibly the results of the FBC/DEP work at Walker Run.

I'll keep you informed, and apologize for any inconveniences created by this postponement.

Thanks for your patience. If you have any questions, please give me a call.
