Ladies and Gentlemen:

Progress Energy Florida, Inc. (PEF) hereby submits native spreadsheet format files in response to the Nuclear Regulatory Commission's (NRC) request as noted in the response to Request for Additional Information (RAI) 02.04.12-5 per the referenced letter.

The information contained in the files on the attached CD is provided to support the NRC's review of the LNP application but does not comply with the requirements for electronic submission in the NRC Guidance Document. The NRC staff requested the files be submitted in their native spreadsheet format for utilization in their evaluation.

The following two native spreadsheet files are on the attached CD:

- LNP GW Pressure Transducer 2007_2008 data.xls
- LNP GW Quarterly Gauging Events 2007_2008.xls

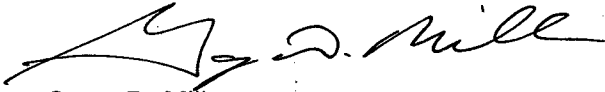

If you have any further questions, or need additional information, please contact Bob Kitchen at (919) 546-6992, or me at (919) 546-6107.
