It sounds like Friday at 11:00am doesn't work for EPA or PPL. What about tomorrow, Thursday at 11:00am? (Chris and Brian - I am trying not to schedule the call before 11:00am because my meteorologist from PNNL is in Washington state, 3 hours behind)

Everyone, please let me know about Thursday 6/11 at 11:00am east coast time and I'll get a bridgeline set up.

Stacey

I'm taking off on Friday. Can we do another time on Thursday that works better for Chris. How about the AM. I have a noon-2:00 appt on Thurs, but any other time works for me. Otherwise, I'm not free until next Tuesday.

Chris and Brian,

Are you available for a call with PPL at 1:00pm or 1:30pm tomorrow (6/10) or 2:30 pm Thursday (6/11)?  
I can set up a bridgeline for us to call in.

Rocky,

Did you want to have a call with the State this week on the conformity analysis? What is your availability? If we schedule it after 11:00am, then PNL can join in.
