RE: NRC License Number 29-01035-01 [Petition for Release of FMC Chemical Research & Development Facility Site at Princeton NJ for Un-restricted Use]

Dear Sir/Madam,

This letter serves as a follow-up to my telephone discussion of August 5<sup>th</sup> 2009 with Ms. Betsy Ulrich. As per your request this letter serves as an official request to the NRC – Region I, from FMC management, to release the current FMC Chemical Research & Development Facility Site at Princeton NJ site only for unrestricted public use. This petition is a complement to the MARSSIM Report submitted by the Radiological Assessment Services, Inc. (RAS). Control No. 143974 on behalf FMC.

**FMC Materials License Number 29-01035-01 will continue to include the new FMC Corporation Chemical Research & Development Center site located at: 701 PrincetonSouth Corporate Center, Ewing, NJ 08628 in the current FMC Materials License.**

Thank you very much. If you have any questions or require any further information, please contact me.

Sincerely,

S. ElNaggar, Ph.D.  
Radiation Safety Officer,

Michael Leggett, Ph.D.  
Manager, Scientific and Regulatory Support
