(NOTE: This will be used as the Documents Title in ADAMS)

In the letter dated May 18, 2009, the licensee requested the addition of a number of authorized users (AU) including Drs. Diblasi, McCain, and Ujayli. I had requested additional information for each of these proposed AUs. According to Dr. Lowe, Dr. Diblasi is currently listed on License No. 47-25572-01. This was verified by the reviewer, therefore, Dr. Diblasi will be added to the license. Drs. Ujayli and McCain did not produce the additional information and according to Dr. Lowe, should not be added to the license at this time.

I also requested that Dr. Lowe have management review the amendment request letters and provide a signed document stating that they agree with the requested changes to the license.
