Dear Ms. Janda:

We have received the U.S. Nuclear Regulatory Commission (NRC) draft copy of Integrated Materials Performance Evaluation conducted in Nevada on June 1-5, 2009. The information has been reviewed by the Program staff and we have no comments to present for consideration.

Thank you for the opportunity to comment on your findings. Ms. Karen K. Beckley, Manager of the Radiation Control Program will be in Bethesda, MD to participate in the Management Review Board meeting scheduled for August 17, 2009.

Sincerely,
