SUMMARY
We have reviewed your application dated May 11, 2009, your letters dated June 10, 2009 and July 14, 2009, and the fax received July 29, 2009, requesting a new byproduct materials license and find that we need additional information as follows:

This refers to the pre-licensing site visit conducted by Jose Macatangay and Colleen Carol Casey on July 13, 2009, at your Indianapolis, IN facility and to the telephone discussion between you and Ms. Casey on August 7, 2009.

As most of the records pertaining to your business operations were not available to us during the site visit and have not been provided since the date of our visit on July 13, 2009, we are unable to proceed with the review of the requested new license at this time.

Please provide the following in order to continue our review:

1. A copy of the signed and dated lease for the PMA facility at 1811 Executive Drive, Suite I, Indianapolis, Indiana.
2. A copy of the Articles of Incorporation for PMA.
3. Copies of any/all utility bills for PMA at the 1811 Executive Drive, Suite I, Indianapolis, Indiana facility (gas, phone, electric, refuse, water, sewer, etc).
4. Copies of signed (by clients) and dated letters, on client letterhead (preferably), from clients who have indicated intentions to utilize your proposed licensed portable nuclear cardiology imaging services.
5. On July 14, 2009, we attempted to contact PMA at the number 812-332-4468, found in a Google search. This phone number was answered by an operator for Monroe Hospital who stated that PMA had been sold to Monroe Hospital over a year ago and that Deepak Chaudhry, whom we asked to speak with, no longer worked there. We asked to speak with Dr. Dhingra also and the operator denied knowing Dr. Dhingra.

Please explain these discrepancies.

As discussed with you on August 7, 2009, it is possible that we will conduct an additional pre-licensing site visit to verify the validity of your business, with respect to the proposed license, and your business intentions.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

ACTION REQUIRED

As we cannot issue a new license at this time we are voiding this request in order to enable you to prepare a quality response without time constraints. This is done without prejudice to the resubmission of your request at a later date. Upon receipt of your response we will resume our review. Address your written response to my attention at the above address. **Please be sure to reference control number 318183 to facilitate proper handling.**

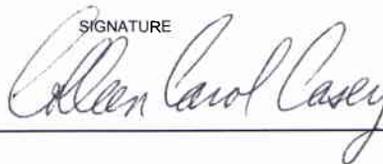

PLEASE NOTE THAT A "VOID" IS AN ADMINISTRATIVE PROCEDURE THAT PUTS YOUR AMENDMENT REQUEST "ON HOLD" (TAKES IT OUT OF OUR ACTIVE CASEWORK DATABASE) UNTIL YOU REACTIVATE IT VIA SUBMISSION OF A WRITTEN RESPONSE. IT "BUYS" YOU TIME TO PREPARE A QUALITY RESPONSE AND IS GENERALLY REGARDED AS A "GOOD THING."

PLEASE DIRECT ANY QUESTIONS YOU MAY HAVE TO ME AT (630) 829-9892 or (800) 522-3025, ext. 9892 or to Colleen Carol Casey at 630-829-9841.
