Re: Request for Additional Information Regarding the Request for the Radiation Safety Officer Change to Scott C. Williams, M.D. for Radioactive Materials License 06-01060-01

Mail Control #: 143777

Dear Mrs. Gabriel,

Dr. Williams has received additional training in aspects relating to the Bridgeport Hospital Radiation Safety Program. He has satisfactorily completed the requirements in 10 CFR 35.50(c) and (c)(2) and has achieved a level of radiation safety knowledge sufficient to function independently as a Radiation Safety Officer for a medical use licensee.

Dr. Williams will be trained in a general manner on HDR as soon as he returns from vacation. Further training by the manufacturer on safety of the specific unit shall occur when the unit is delivered to Bridgeport Hospital.
