RE: RSO – Notification of Change
Megan, LLC dba Fairfield Testing Laboratory (Bridgeport, CT)
License No. 06-19279-01
Docket #03017254

To Whom It May Concern:

The purpose of this letter is to provide formal notification of a change in status of our listed Radiation Safety Officer.

Effective immediately, I would like to appoint Jeff Cahill as our Radiation Safety Officer. Mr. Cahill has recently been promoted and as part of his duties, is responsible for training existing staff and new hires in the proper use, care and transportation of lab equipment, including the equipment relevant to this license. Mr. Cahill's RSO and Operator's Course training was conducted by QC Resource in August, 2008. A copy of his certification is enclosed for your review.

If you need further information or documentation in order to amend our license, please contact our office as soon as possible and we will comply immediately. If you have any further questions, please feel free to contact me at your convenience.

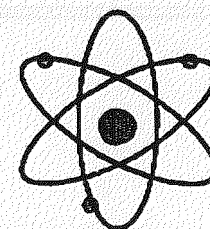

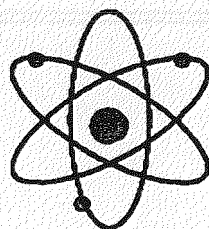

Very truly yours,

James E. Quill, P.E.
