Subject: Access to Subcontractor Database

I would like to know if I could have access to a list of subcontractors who have contracts with the Nuclear Regulatory Commission. I'm looking for the vendor name, vendor address, contract award amount, contract name, and Duns Number for subcontractors from Australia. If you don't specify the country status, could you send me all the subcontractor data you have for years 2000 to 2009. Thank you for your help.

Sincerely,
Clarence Buffalo
