Re: Nuclear Medicine Hours

Dear Dr. Dikengil:

After looking through your residency file we were able to determine that during the July 1983- July 1985 academic year you spent your second and third years of residency here in the Department of Radiology at Morristown Memorial Hospital.

During your second year you had three one-month rotations in Nuclear Medicine and in your third year you had a fourth month of Nuclear Medicine.

I hope this information will help you in acquiring your Nuclear Medicine license. If I can be of any further service please do not hesitate to contact me.

Sincerely,

Jeanne R. Schwartz, M.D.
