Al,

An advertisement for the scoping meeting ran in the Wilmington Star-News on May 2. NRC will have a press release on the scoping meeting today. WAZO (107.5 FM) and WHQR (91.3 FM) will run announcements on 5/9, 5/12, and 5/18. We are still trying to arrange announcements with WAAV (980 AM) and WWQQ (101.3 FM).

Thanks.

Tim,  
Can you or Christianne provide a schedule and outlets that will be used for announcing the ER scoping meeting? We want to make sure we understand the timing to coordinate our efforts.

Thanks,
