RE: USNRC License Number 19406-1415

03033046

I am requesting that our current Nuclear Regulatory Commission license 29-30011-01 be amended to list an additional authorized user to our license.

The additional user should be listed as: Thomas Komorowski, M.D.

Enclosed are the documents of certification of completion of radioisotope handling and radiation safety course that meets the NRC guidelines.

Sincerely,

T Ahmad

RE: Thomas W. Komorowski, M.D.

I have reviewed the letter authored by Dr. Mariano Rey regarding the training in Nuclear Cardiology undertaken by Dr. Komorowski at our institution during his fellowship in cardiovascular disease. A review of his fellowship file with a procedure log indicates that the information in Dr. Rey's letter pertaining to Dr. Komorowski's training in Nuclear Cardiology is accurate. Likewise, there is documentation of his having taken a nuclear course of 200 hours.

Sincerely,

Barry P. Rosenzweig, MD
Director, Training Program in Cardiovascular Disease
Leon H. Charney Division of Cardiology
Associate Professor of Medicine

To Whom it May Concern;

This letter is to affirm that Dr. Thomas W. Komorowski gained clinical experience at our institution in nuclear cardiology. The preceptorship began 7/1/2000 and continued through 6/30/2003. During this period Dr Thomas W. Komorowski actively participated in the following number of procedures:

600 Stress myocardial perfusion procedures
600 Rest myocardial perfusion procedures
100 Myocarial viability procedures
700 Ejection fraction calculation and wall motion evaluation procedures

During this time Dr. Thomas W. Komorowski also acquired expertise in health physics, radiopharmaceutical preparation, technical and administrative procedures of our facility, as well as general operations as stipulated by our license conditions. Dr. Thomas W. Komorowski also gained experience in preparation of radiopharmaceutical kits during this period , and eluted $^{99m}TC/^{99}Mo$ generator.
The hours of nuclear cardiology clinical and work experience accrued during this period total 1200 hours.

Dr. Thomas W. Komorowski has completed a training program in nuclear cardiology that meets the requirements as outlined in the ACC/ASNC COCATS Guidelines [revised 2000] for Level II training in nuclear cardiology. Dr. Thomas W. Komorowski is competent to independently function as an authorized user under NRC 10 CFR 35.290 uses.

Sincerely,

Mariano J. Rey, MD
Professor of Medicine and Physiology

NUCLEAR MEDICAL EDUCATION PROGRAM

Affidavit of Academic Completion & Competency

This document is to attest that

Thomas W. Komorowski, MD

has successfully completed the didactic program

PRINCIPLES OF RADIATION PHYSICS

and has provided evidence of attendance in this program and evidence of achieving the objectives of this program through examination. This program provides the following levels of accomplishment:

5.0 Continuing Education Units (CEU)
50 Didactic Instructional Hours (DIH)
In compliance with 10CFR35/AEA 73-689
50 Board Accepted Hours NUSPEX, NMTCB III b, ABMRSO, CBNC, MRLB
3.0 Semester Hours American Council on Education (ACE), American Association for Collegiate Registrars
