Mr. Burrows, we would welcome the opportunity to visit with you and your staff about the concerns addressed in the WMA letter of July 23rd. However, we feel it would help us focus on the main issues if you could respond in writing to our letter before we have a public meeting or conference call. Some of the issues may be able to be addressed and resolved prior to conducting a public meeting. That would allow us to focus on the issues on which there may be controversy.

Please let me know if you feel this would be a beneficial way to address the issues contained in our letter to Mr. Von Till.

Thank you.

Dear Mr. Loomis:

Regarding the public meeting, it is up to you whether you want to come here (Rockville, MD) in person or hold a teleconference.

Because we have to notice this meeting to the public, let's plan on the week of August 24th. I will allot 3 hours for the meeting, unless you think you need more time. The times that work best are 9:00 - 12:00 Eastern Time or 1:00 - 4:00 Eastern Time.

We can discuss specific dates and times when you have a chance as I need to ensure a conference room is available.

Regards,

Ron
