SUMMARY OF CONVERSATION:

Called to request info regarding common animal species (game + nongame) in Nemaha Co., Nebraska.

Greg listed several common mammals and birds including: white tail deer, fox squirrel, rabbits, raccoon, southern flying squirrel, bobcat, beaver, mink, quail, pheasant and lesser prairie chicken (which based on range should be greater p.c.)

Be referred me to Rick Schneider for more specific information regarding Nemaha County. phone = 402-471-5569
