LINCOLN COUNTY CERTIFICATION OF LICENSING SUPPORT NETWORK SUPPLEMENTATION

Each potential party is required by 10 C.F. R § 2.1003(e) to supplement, on a continuing basis, its documentary material made available through creation or discovery of the material on the Licensing support Network (LSN) after the date of its certification. Pursuant to the requirements of 10 C.F. R. § 2.1003(e), the Pre-Application Presiding Officer (PAPO) Board ordered in the Revised Second Case Management Order dated July 6, 2007, that each potential party make such supplementation on or before the first day of each month following its initial certification, and file to that effect. On January 16, 2009, the Chief Administrative Judge established three licensing construction authorization board. The jurisdiction of the PAPO Board was terminated on June 5, 2009, however, the monthly certification requirement remains intact.

On February 28, 2007, Lincoln County, Nevada filed its initial certification. There has been no additional material discovered since the initial certification date of February 28, 2007. Accordingly, appended to this filing is the certification of Jason Pitts, Lincoln County LSN Official, and the official responsible for the administration of Lincoln County's efforts to identify and make available supplementary documentary material via the LSN through August 31, 2009.

Respectfully submitted,

(Signed electronically by)

Bret O. Whipple, Esq.
