Michael,

I hope to discuss this in more detail with you on Wednesday when you are on site.

We can support 6/3 and 6/4. Our preferred location for the review is the Enercon Services Offices (12100 Ford Road, Suite 200, Dallas, Texas). This location has motel rooms close by, has easy access to the DFW airport and has the support of the Enercon Dallas staff.

We are very interested in any more details that you may have (e.g., how many people will be coming, any special topics to be reviewed, etc.).

Don

Donald and Robert,

I need to confirm that we are scheduled to have the Pre-application environmental report review for Comanche Peak Units 3 & 4 on June 3rd and 4th at the Luminant Headquarters at 1601 Bryan Street in Dallas. Please confirm. I have constructed a preliminary agenda for those dates and have asked management to build a team.
