**Subject:** 2009-08-20 401 Certificate - Scheduler need to support COL review

Michael,

Some weeks back, we discussed the need to obtain a 401 certification from the state of Texas to support the issuance of our COL. We are in the process of discussing this matter with representatives from the state government and with STP to make sure we understand the process to obtain the certification. As I recall from our conversation, the certification is needed to support the Final EIS. Is this correct? If not, what is the NRC's need date/milestone.

Thanks,

*D. R. Woodlan*
