In the Matter of
ENTERGY NUCLEAR OPERATIONS, INC.
(Indian Point Nuclear Generating Station Units 2 and 3)
Docket Nos. 50-247-LR and 50-286-LR

Dear Administrative Judges:

Pursuant to the Atomic Safety and Licensing Board's December 18, 2008, "Memorandum and Order (Addressing Requests that the Proceeding be Conducted Pursuant to Subpart G)," slip op. at 13, and the Licensing Board's "Order (Granting Consent Motion Regarding Mandatory Disclosures)," dated January 30, 2009, at 1, the staff of the U.S. Nuclear Regulatory Commission ("Staff") herein notifies the Licensing Board and the parties that the hearing file has been supplemented for this proceeding. Materials in the hearing file may be accessed through the Agencywide Documents Access and Management System ("ADAMS"). An index containing the ADAMS accession number, date, and title or description of each item in Hearing File Index, Supplement 7 is appended hereto as Attachment 1.

On or about September 7, 2009, the newly identified documents in the hearing file will be made available via the Electronic Hearing Docket ("EHD"), which may be accessed at the following URL: http://ehd.nrc.gov/EHD_Proceeding/home.asp. The hearing file will be contained in a sub-folder entitled, "Indian PT Hearing File, Supplement 7" in the "Indian_PT_2&3_50-247&50-286-LR" folder of the EHD.

In addition, as required by 10 C.F.R. § 2.336(b)(5), the Staff is producing an updated privilege log, identifying documents withheld under the deliberative process privilege, which are appended hereto as Attachment 2. Also, attached is the Declaration of Brian E. Holian formally invoking the deliberative process privilege with respect to each of the documents in

Further, pursuant to 10 C.F.R. § 2.336(c), attached is the Affidavit of Andrew L. Stuyvenberg, certifying that all relevant materials required by this section have been disclosed, and that the disclosures are accurate and complete as to documents identified by August 21, 2009.

DECLARATION OF BRIAN E. HOLIAN

I, Brian E. Holian, do hereby state as follows:

1. I am employed as the Director of the Division of License Renewal ("DLR") in the U.S. Nuclear Regulatory Commission's ("NRC") Office of Nuclear Reactor Regulation ("NRR"). My supervisory responsibilities include oversight of the NRC Staff's review and evaluation of the Indian Point Nuclear Generating Station Units 2 and 3 license renewal application.

2. As part of their responsibilities in updating the hearing file and mandatory disclosures for these proceedings, NRC staff members under my supervision identified certain documents as privileged because they contained information concerning the Staff's pre-decisional deliberative process. Those documents are listed in Attachment 2 to the August 31, 2009 submission of the Staff's Hearing File Index Supplement 7.

3. I have personally reviewed the documents identified as privileged in Attachment 2, and have determined, in accordance with the guidance set forth in Management Directive 3.4, that they contain pre-decisional information concerning the Staff's review of the license renewal application. All documents contain either Staff's analyses, recommendations, opinions, or evaluations, and may not necessarily reflect the final agency position with respect to the

matters discussed therein. Each of the documents comprises part of the deliberative process necessary for the Staff's review of the pending license renewal application.

4. Further, I have determined that disclosure of these documents could result in harm to the agency, in that it would (a) prematurely disclose the preliminary views of individual Staff members and/or the Staff prior to reaching a final agency decision, and could thus create confusion as to the actual policy or views of the NRC Staff; (b) hinder the efficiency of the Staff, in that forced disclosure of its internal discussions on an unresolved issue would tend to chill all future deliberations and would interfere with the Staff's ability to engage in a free exchange of opinions and analyses prior to publishing its final review documents; and (c) imply or suggest incorrectly that the opinions of the Staff members involved in these communications are actually the final decisions of the agency, while no such final decision has yet been made.

5. Accordingly, I formally invoke the deliberative process privilege with respect to each of the documents listed in Attachment 2 to the August 31, 2009 submission of the Staff's Hearing File Index Supplement 7.

6. I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief.
