Subject: Docket ID NRC-2008-0272

M.C. Steel is concerned about the proposed rule changes requiring a switch from a general license to a specific license. This change would greatly increase our costs due to the additional training and annual fees required. In this current economic climate we are unable to take on these additional costs.

We ask that you reconsider these proposed rule changes and allow our company to remain generally licensed.

Best Regards,

Jeremy Grace
M.C. Steel, Inc.
