OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

Dear Sirs

In these financially stressed times we in the manufacturing industry do not need more rule changes or financial burden.

We are extremely concerned about the proposed rule changes you sent out on Aug. 5, 2009. Forcing us to switch from a General License would cause dramatic cost increase due to the additional training and annual fees. In today's business climate, we simply cannot afford to take on increased costs in either of these areas. We all, Private and Government need to help each other through these times.

We ask that you reconsider these proposed changes and allow our company to remain Generally Licensed.

Thank you for your consideration on this matter.

Sincerely,

Frank Lucas
