**Subject:** Submittal Date for Response to RAI re. Christensen Ranch Restoration

Ron:

It does not look good to meet today's submittal date for the referenced RAI response. I'm still reviewing Petrotek's portion of the responses, and inhouse we are still working on some items that we have to address. With your concurrence, I would like to postpone the submittal for an additional two weeks, to Sept. 11.

Thanks,

Tom
