Thanks, Mike. I reviewed the document in a significantly reduced format and missed the redacted text. I will go back through again and locate it.

Subject: NRC Redactions in ER Ch 2

I reviewed the redacted ER Ch 2 that Michael Willingham sent on Oct 17. I found that all seven sheets of Table 2.5-21 and all 6 sheets of Table 2.5-22 had been redacted. Did the NRC decide to not redact Figures 2.5-8 and 2.5-9, which appear to present some of the same information regarding historical sites?

Thanks,

John Conly
