Subject: Response to FEMA RAI

The attached letter submitted responses to 11 of the 15 questions in the April 10, 2009 FEMA RAI. The letter also requested an extension until July 27, 2009 to submit the remaining 4 answers that depend on the final, signed State of Texas plans. If there are any questions regarding this letter, please contact me or contact Bob Reible (254-897-0449, Robert.Reible@luminant.com). The attachments to the letter totaled 17 Mb. Please contact us if you need some or all of the attachments.

Thanks,

John Conly

SUBJECT: COMANCHE PEAK NUCLEAR POWER PLANT, UNITS 3 AND 4
RESPONSE TO REQUEST FOR ADDITIONAL INFORMATION

REFERENCE: Letter, V. Quinn to D. Woodlan, "Final Request for Additional Information (RAI) for the Luminant Generation Company, Comanche Peak Nuclear Power Plant (CPNPP) Unit 3 Combined License (COL) Application," dated April 10, 2009

Dear Madam:

Luminant Generation Company LLC (Luminant) hereby submits the attached responses to eleven of the fifteen questions asked in the referenced letter. The questions and responses support the Federal Emergency Management Agency reasonable assurance review of Luminant's Combined License Application for Comanche Peak Nuclear Power Plant Units 3 and 4. Luminant requests a 45-day extension of the required response date for the remaining four questions, i.e., CP 015, CP 018, CP 019, and CP 022. These four questions require the State plan submitted by Luminant in draft form to be finalized. Currently, the State plan is in the final review and approval process, and the responses to these four questions will be submitted on or before July 27, 2009.

If there are any questions regarding these responses, please contact me or contact Bob Reible (254-897-0449, Robert.Reible@luminant.com).

I state under penalty of perjury that the foregoing is true and correct.

Executed on June 9, 2009.

Sincerely,

Luminant Generation Company LLC

Donald R. Woodlan for

Rafael Flores
