Subject: Additional Request for Access to Comanche Peak Reading Room

All -- I would like to request approval for one additional ORNL person to access the Comanche Peak electronic Reading Room. We have determined that our editor might require such access to double check on reference citations, including titles, authorship, dates, etc.

Please grant access approval and issue the appropriate credentials to:

Walter Koncinski, ORNL Editor, 865-574-6958, koncinskiws@ornl.gov

Thanks,
Greg Z.
