Subject: License Condition 25

Mr Evans,

FYI - Subparagraph (b)(iv) of License Condition 25 has certain conditions for containers of WIP material placed in the outdoor staging areas for longer than 12 months including an improved cover system . As of today's date, all outdoor staging areas are empty. [i.e. all bagged WIP material is being managed in accordance with subparagraphs B(i to iii) of license condition 25].

We will continue to monitor the age of the bagged WIP containers to ensure compliance with these license condtions.

Please call me if you have any questions.
