Subject: RAI followup
(NOTE: This will be used as the
Documents Title in ADAMS)

I left a message for the RSO on 8/31 informing her that I would void the action next Monday if I didn't receive a reply. The RSO returned my call on 9/2/09 and said she would try to get the response faxed in on Friday, 9/4. The amendment request was to add 5 AU's to the license and the RAI was due to the deficiency of response for 1 of the proposed AU's. I informed the RSO that if the response was not received I would still amend the license to add the other 4 proposed AU's .
